# SOUL VS. EGO SMACKDOWN

how to hear your Soul  
and silence the  
outside voices

# Year of YES!

*I commit to saying YES! to everything my Soul tells me to do for this class.*

*In return my Soul commits to communicating loudly, clearly and persistently.*

*I trust that my Soul knows where it is going, knows the easiest and fastest way to get there and will never, ever steer me wrong.*

# The Choices Are Yours

- Free Will
- There is risk
- There will be consequences
- Choose to just listen
- You don't have to make a choice NOW
- When you're ready
